Jakten på det gode laget
Et foredrag som både gir deg humoristiske historier, og samtidig tar deg med inn i alvoret i lederskap og samspillet mellom menneskes. Humør og seriositet går hånd i hånd gjennom foredraget når det snakkes om rotter, stolthet og identitet.

Roger Finjord må være en av Norges beste foredragsholdere! 3. gang jeg har hørt ham - like begeistret!
Haga IT Medias AS, Gensidige Pensjonsinstitutt, Privatradio

Det var helt enormt bra! Folk ble nesten satt ut hvor bra det var.

A blurred background image of a factory or laboratory. On the left, a large red robotic arm is visible. On the right, a humanoid robot with a red and black body is standing. The overall scene is out of focus, emphasizing the text in the foreground.

SPØRSMÅL?

A red industrial robotic arm is positioned on the left, holding a large white rectangular object. In the foreground on the right, a red quadruped robot is visible. The background shows a factory floor with various equipment and a banner for MOMEK GROUP.
